BECOME A MEMBER OF YGB CLUB

YGB Club gives a step by step formula to develop public speaking skills for anyone to master the art of giving an memorable speech.

Learning public speaking is like learning to swim!

We cannot learn to swim by just watching videos or seeing others swim or definitely not online.

The same applies when it comes to public speaking.

After participating in the YGB Club's sessions regularly, members will be able to :

- Overcome nervousness, anxiety and fear of public speaking.
- Learn to give formal & informal speeches.
- Learn how to start a speech; end a speech; and keep the audience engaged.
- Deliver a clear, concise, and persuasive presentation.
- Understand personal voice projection, articulation, pacing, and fluency.
- Enhance personal body language, eye contact, and gesturing.
- Speak for any duration without referring to notes.

BENEFITS FOR MEMBERS

"As Chinmay keeps saying - knowing is knowing and doing is doing, it is only by doing & practising that we can improve our public speaking. In YGB Club, not only do I get to practice but also the critical feedback helped me immensely to be effective in my communication."

SAMIR BULAKH

"I have attended many public speaking programs, read books and have learnt a lot about it but I could not find a place to practice. It was only here at the YGB Club that I could regularly practice to further improve my public speaking skills."
